AKC Responsible Dog Ownership Days Weekend of May 16 - 17, 2026

Meet the Breeds

Saturday (May 16) from 9:00 to 2:00

Sunday (May 17) from 9:00 to 2:00

Booths will be set up near the tree line parallel to Walnut Street. Clubs should use pop-up tents and bring tables and chairs to support their displays. Displays should include information about their breed and bring puppies and adults to show.

Parade of Breeds on May 17 following the conclusion of the Sanctioned B Match

We will have the breeds line up alphabetically and will announce the club's name, breed and dogs' names. We will hand out sheets, so we have that information.

The Booth Competition Awards on May 17 at the conclusion of the Parade of Breeds

This event will happen alongside the AKC Sanctioned B-Match and our Health clinic. Those flyers will be attached to this flyer.
